LICENSE AGREEMENT – PromptShield Framework

This license agreement ("Agreement") governs the use, reproduction, and distribution of the software and framework titled "PromptShield" (hereafter referred to as the "Software").

1. OWNERSHIP AND COPYRIGHT
The Software and its associated components (including Shield and Shield Enterprise modules) are the intellectual property of the original author, Tom Wartenberg. All rights not expressly granted in this Agreement are reserved by the author.

2. GRANT OF USE
The Software is provided under a limited license for evaluation, demonstration, and research purposes. No part of the Software may be used in a commercial or production environment without a formal licensing agreement signed with the author.

3. NON-EXCLUSIVE COMMERCIAL LICENSE (OPTIONAL)
For entities interested in commercial integration or enterprise deployment, licensing options are available upon request. Exclusive and non-exclusive commercial licenses may be negotiated directly with the author, including support, integration consulting, or further customization.

4. PROHIBITED USES
The Software may not be:
- Reverse engineered, decompiled, or modified for the purpose of rebranding or resale.
- Used to develop or train competing LLM security solutions without express written permission.
- Redistributed as part of another framework or bundled offering.

5. WARRANTY DISCLAIMER
The Software is provided "as-is" without warranties of any kind, either express or implied. The author is not liable for any direct or indirect damages resulting from the use of this Software.

6. CONTACT & LICENSING
